Administration

The finest wish that I can make for you is that you may experience each day that same pride and satisfaction that I do in being the Principal of Abraham Lincoln High School.

Thank you, one and all, for your dedication, loyalty and splendid contributions to Lincoln High and to a wonderful school year.

Mr. Robert Menke
Principal

"Hi!" Mr. Menke welcomes students to a football rally.

Mr. Menke looking over "hornets in the news."

As this school year closes, many at Lincoln High School have reached the goals they established at the beginning of the school year. These students are to be congratulated.

My best wishes to the class of '65. May your aspirations be reached and your future prosperous.

Mrs. Sorenson

The year '64 - '65 has provided all students at Lincoln with many opportunities. I hope no opportunity has been by-passed and that each student has taken full advantage of his high school years.

Mr. Lepore

Members of the faculty can be seen cheering in the crowd.

It is with sincere appreciation that we dedicate this '64 - '65 STATESMAN to the entire Faculty of Lincoln High School. Their leadership and guidance combined with thoughtfulness for each individual student has helped prepare the way for those graduating this year and those in the following years to face life and its complications with maturity.

ART CLUB

Under the dual sponsorship of Mr. Marriot and Mr. Patterson the Art Club has become a great success. Although this is the first year for the club at the "hive" it has gained a great deal of prestige. The Art Club sponsored the Art Show in our library earlier this year. There the many art pieces done by the students were displayed. Many of the works were purchased by the faculty and friends. All those interested in art are asked to join this worth-while organization and display their artistic talents.

SPEECH CLUB

Lincoln Speech Club under the guidance of Mr. Miller has participated in many speech tournaments very successfully. The purpose of the Speech Club is to provide the students a chance to participate in interscholastic competition.

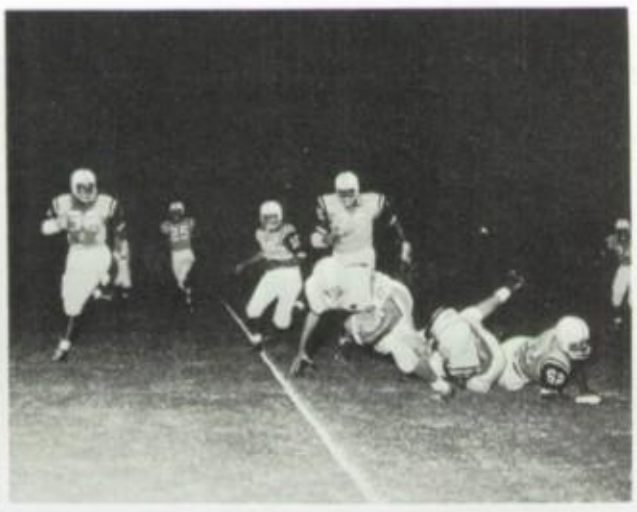
LINCOLN 14 — SAN DIEGO 12

This annual battle, played at Balboa Stadium, was a battle of the defenses. San Diego, outweighing Lincoln by 10 pounds per man, was all fired up for the game but Lincoln's powerful defense held up its fine reputation. With strong defensive men like Greg Allison, Glen King, Mike and David Edwards, the defense was in tiptop condition for this contest. Even though we started off weak in the first half, we came back strong at the end to bring home another victory for the Hornets.

LINCOLN 7 — CRAWFORD 25

The heartbreak of the year was played at Hoover Stadium. It was the yearly Lincoln-Crawford clash. This was a game in which our team tried hard to stay on top in the league, but Crawford that night seemed too strong for our mighty Hornets. Our lone touchdown that night was scored by Willard Bryant, but seven points weren't enough to withstand the brunt of the colt attack. Standouts in this game were: Willard Bryant, Mike Edwards, Lewis King and Marvin Galliher.



LINCOLN 26 — HOOVER 20

Another opponent in the drive for the Eastern League Championship was the Hoover Cardinals. Hoover, not as powerful as last year, played a good game, but still went down to defeat at the hands of our mighty Hornets. Lincoln started out great with a long touchdown run by Lewis King. The Hornets never really were threatened that night until the final quarter when the "Red Birds" scored 20 points, and were looking for at least 6 more. The Lincoln offense didn't stop scoring; they took the lead and kept it. Outstanding players of this game were: Lee Norman, Louis King, Melvin Jackson, and Tommy Garrett.

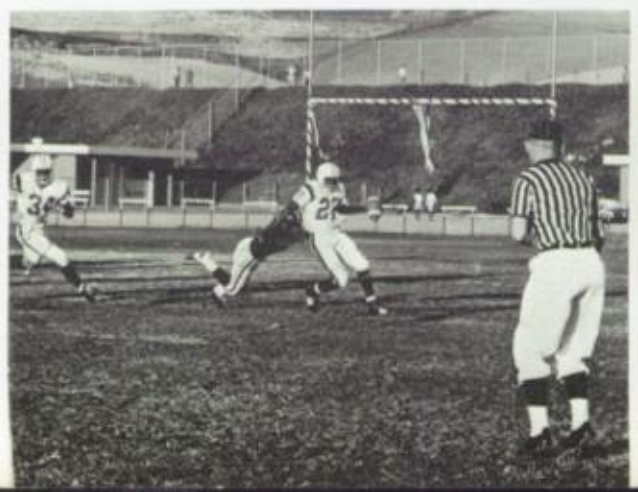
LINCOLN 19 — MORSE 8

The Morse Tigers set to upset the Hornets, were turned back with an unexpected outcome. Morse, a new school, at times gave the Hornets trouble, but the stingy Hornet defense held on. Throughout the game the Tigers tried to gain control of the ball, but the Hornets with great ball carriers scored despite the Tigers. Standouts were Charles Davis, Manuel Lopez, Clifford Garrett and Gene Grant.



LINCOLN 13 — SAINT AUGUSTINE 0

The final game of the year, homecoming was played with much pride. The Saintsmen, trying hard to penetrate the walls of the Hornet's defenses, were turned back at attempts. Lincoln, jumping ahead at the opening kickoff was never threatened by the case. Spirits were high because a win would give Lincoln a chance for the championship in a game against the powerful Komets. Saints tried hard to get on the scoreboard, but the Hornet defense was too strong and shut out the Saintsmen for a 13-0 victory. Standouts were Joe Lowery, Charles Davis, Lewis King, Kenny Keyes, and the great defensive front wall.

Wrestling this year has been very successful. With exceptional grapplers, Lincoln has defeated every opponent it has faced. With a fine man like Al Walker behind them you can expect nothing but the best. This has been a team which has been hard fought but came up a winner everytime. They have defeated every opponent by a small score, meaning one thing: this year's wrestlers are good, but the Hornets are better. Lincoln's wrestlers took the Eastern League with ease and later placed six men on the C.I.F. competition team.

BASKETBALL

Warren Barritt
Coach

Basketball at Lincoln has seen better days. Our first game was played against Crawford on our court and it was a game to see. The game went into three overtimes and we suffered our first league defeat. After this, our team spirit went down very low and we suffered defeat after defeat. At the end of the season we came up with a 2-8 record, defeating Morse twice, and ending up fifth in the league.

The Junior Varsity Basketball team deserves a lot of credit this year. The team has piled up an 8-2 record and averaged over 30 points a game. The team has great height with L. Hall, W. Silas, P. Shelly, and D. J. Howard. Also adding to the team's success is 5'7" guard H. Welch. This team will be greatly appreciated next year.

The Junior Varsity Baseball team, coached by Shan Denisten, has won many games and has many fine returning lettermen who will add much success to our Varsity team next year.

Lincoln High School, for its 1963-1964 School program, was selected to receive the "Principal School Award" by the Freedoms Foundation at Valley Forge, Pennsylvania.

The award was presented to Lincoln on the basis of its "outstanding accomplishment in helping to achieve a better understanding of the American Way of Life."

Lincoln is one of 49 schools throughout the United States to receive the award.

The award entitles Mr. Robert J. Menke, principal, and a student who will be selected later, to participate in the Valley Forge pilgrimage.

The expense-paid trip also includes a visit to Washington, D. C.

The theme of Lincoln's entry to the nation-wide Freedoms Foundation Contest last year was "Freedom requires: Knowledge, Respect and Support."

The three qualities were represented on two 20 x 30 showcards, which displayed Lincoln's interpretation of the theme in action.

The cards included: photographs of the morning flag raise, the band, and C.C.C. A tape of the annual nomination convention plus pictures and news clippings of other Lincoln events were also included.

Formal announcement of the award was made at an honor luncheon.
